Pastor Mike & Michelle LaBrie

We want to extend a warm welcome to all guests today. Our church family strives to create an atmosphere in our services where God can touch and change hearts! Reach out today and receive what you need from Him! He is here!

Today's offering goes to missions!

Through North American Missions, we support our Vietnamese works and through Global Missions, we support 18 Partners around the world!

We support each of our partners with \$50 a month and would love for you to take on a missions partner. Their pictures are hung in the prayer room.

We are excited to welcome Missionaries Randy and Carolyn Adams. They were appointed in 1995 to West Africa and are now serving as Regional Director to the African Region. Their responsibilities include some 23 nations as liaison between the African churches and Global Missions! May God bless them and their ministry.
